Named Scholarships

Would you like to fund a scholarship in your business or personal name and also receive a tax deduction?

The SVEAA has recently established a platform to host and manage the personal scholarship offerings of our alumni and business partners. As hosts, we provide a turn-key solution to manage the process for you. We act as an intermediary to connect your scholarships with the students in an easy, fast, and professional manner. Through our platform, we are able to manage the entire process – from announcement to award – tools that our scholarship partners otherwise would not ordinarily have.

Legacy Scholarship Endowment Fund

Many alumni have taken the special step of including the SVEAA in their long-term plans through estate-related giving arrangements.

Thoughtful gift planning is an excellent way to support the Legacy Scholarship Endowment Fund. Your gift will help build an endowment that will generate funds toward future scholarships. The Legacy Scholarship Endowment fund will be placed in secure investment instruments to protect the principle, while providing sustainable returns.

SVEAA Scholarship Program

Our scholarship efforts began in 2014 with two scholarship awards. From this modest beginning, we have proudly awarded $58,000 to 34 graduating seniors pursuing college, university, and technical school education.

With the generous support of our alumni, community sponsors and scholarship partners, our program has grown to nine scholarships offering $26,000 in annual awards.

Event sponsors make the best scholarship partners!

Scholarships make an extraordinary impact on the lives of students. With your support, we can make a difference and help more students launch their futures. Become an event sponsor today!
